Thursday 22<sup>nd</sup> April 2021

Dear Hawsker Families,

### **RE: Change to End of the Day Collection Time**

We would like children to make the most of their school day, not least so children have the opportunity to recover any missed learning they encountered during the most recent lockdown but to also make the maximum use of the school day and to allow parents/carers greater flexibility, especially as more of you are now returning to work full-time. Therefore, as of next week, we will be trialling a new collection routine, which we would greatly appreciate your support in delivering.

#### New Collection Times

From next week, we will be trialling the following collection times:

- Mrs Harrison's class should be collected no earlier than **3.10pm** and no later than **3.15pm**.
- Miss Banks' class should be collected no earlier than **3.15pm** and no later than **3.20pm**.
- Mrs Dixon's class should be collected no earlier than **3.20pm** and no later than **3.25pm**.
- If you have children in multiple classes, please collect your children at the latest of these times (e.g. if you have children in Mrs Harrison's and Mrs Dixon's class, you should collect at 3.20pm).

#### Late Collections

We understand there may be reasons why children are collected late. Should you anticipate this, please contact the School Office, so that we are aware of a different arrangement for that day.

If you are running late to collect your child, we understand, especially with a new routine, and will ensure children are supervised until collection. If you are over 15 minutes late for collection or persistently late collecting without good reason, your child will be taken to after-school club where charges may apply.

**Please note, drop-off times (start of the day) and routines remain the same. Please ensure your child attends school promptly or let us know if you foresee any lateness.**

Should you have any questions about this new routine or have any concerns regarding these changes, please do not hesitate to get in touch with me as soon as possible. We will be flexible to individual circumstances.

We hope this new routine will be beneficial and simpler for parents/carers, especially those now working again, as well as safer for the children. We also hope to provide an even more broader and balanced curriculum by dedicating more time to learning. Some children will now be at school for up to 20 minutes longer per day (as they will have been used to in the past), meaning they have an extra 100 minutes of learning per week and an extra 20 hours (4 school days) of learning for the rest of the year, which will help tremendously with any catch-up or provide opportunities for children to mix with their friends.

Thank you for your support and understanding. Please do pass on constructive comments about this new routine we are trialling.

A handwritten signature in black ink, appearing to read 'Mr Cooper'.
